

State of Vermont Agency of Human Services Department for Children and Family Services (DCF) Effective 10/1/04

#### I. Introduction

The following narrative and supporting schedules represent the public assistance cost allocation plan for the State of Vermont, Agency of Human Services (AHS), Department for Children and Family Services (DCF). DCF is the "single state agency" for the Title IV-E, Title IV-D, Temporary Assistance to Needy Families (TANF), and Food Stamps programs. DCF is also responsible for all Medicaid eligibility processes performed in Vermont. This agency was newly created in state fiscal year (SYF) 2005.

The newly created DCF represents the merger of the Office of Child Support (OCS), the Office of Economic Opportunity (OEO), the Department of Prevention, Assistance, Transition, and Health Access (PATH, formerly the Welfare Department), and the Department of Social and Rehabilitation Services (SRS).

It is the mission of DCF to promote the social, emotional, physical, and economic well being and safety of Vermont's children and families. This work is done through the provision of protective, developmental, therapeutic, probation, economic, and other support services for children and families in partnership with schools, business, community leaders, service providers, families, and youths statewide.

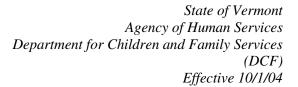

The major Divisions and Offices within DCF include the following:

- The Child Development Division ensures a statewide system that promotes and supports safe, accessible, quality child care for Vermont families.
- The Office of Child Support (OCS) establishes and enforces child support court orders, locates missing parents, and ensures the steady flow of economic support to Vermont children.
- The Division of Child Welfare & Youth Justice Services administers juvenile justice services, including the Woodside facility and administers child welfare services, including foster care and adoptive services.
- The Economic Services Division manages the Food Stamps program, Welfare-to-Work (Reach Up), Home Heating Assistance, General and Emergency Assistance, the Essential Person program (AABD), and Health Care eligibility (Medicaid).
- The Office of Economic Opportunity (OEO) seeks to increase the self-sufficiency of Vermonters and strengthen Vermont communities by connecting communities to governmental and private resources to eliminate poverty through weatherization services, support for community-based organizations engaged in anti-poverty efforts, and food and nutrition services.
